

Abraham Paul Jaison

Highly adaptable Master's student in Artificial Intelligence and Machine Learning at The University of Adelaide, seeking an Electronics Production Worker role. Possessing a strong work ethic and a positive "CAN DO" attitude, I am eager to learn and contribute to a collaborative manufacturing environment. My experience in test engineering, data analysis and previous roles have equipped me with the precision, attention to detail, and technical aptitude necessary to excel in electronics production. Available for full-time hours, Monday to Friday.
