Abraham Paul Jaison

Highly adaptable and detail-oriented Master's student in Artificial Intelligence and Machine Learning at The University of Adelaide, seeking a casual face-to-face interviewer role. Possessing strong communication and interpersonal skills developed through customer-facing roles, I am comfortable engaging with diverse individuals and explaining complex information clearly. Proven ability to work independently and as part of a team, ensuring accurate data collection and adherence to protocols. Available for full-day shifts on Saturdays and Sundays, and committed to working from late July through December. Comfortable using smart devices and possess a current driver's license with access to a reliable vehicle.
